## Giveaway #2: It's a Beautiful New Year!

By Jenny Rapson on January 12, 2009

It's week 2 and giveaway #2 of our "It's a Beautiful New Year" giveaways here at Blissful Style. Congratulations to our week 1 winner, [Elena](#)! Elena wins the Skinny Tank, Kamik rain boots, eenamaria handbag, and Queen Bee tee!

This week's giveaway is beauty-themed! One winner will get really gorgeous with all these great beauty products!

### hairfree™ self-cleaning hairbrush

If you're like me, and um, *shed alot*, you'll love the hairfree™ self-cleaning hairbrush! **Just pull the end of the handle, and the brush's ceramic plates lift up, bringing the hair to the top.** It's so easy to clean your brush and keep it brushing your hair - not storing it! The ceramic plates also make this brush great for heat-styling hair and makes blowing it straight a snap!
