

# ONE BORED MOMMY

*This blog was inspired by a bored stay at home mommy of four kids. It's intent is to give other stay at home mommies or anyone for that matter helpful advice, reviews of products that might be helpful with their parenting and everyday life and just plain general information about daily struggles of being a mommy!*

## Hair Free ~Product Review~

*Don't you hate it when your hair brush gets full of hair and you have to try to clean it out? Okay, maybe you've never had the problem, but I sure have. Especially right after I have a baby (7 months ago). I seem to loose my hair by the hand fulls and since my hair is fairly long, it doesn't take long for my brush to be totally full of hair. I'd love to introduce you to a company that could change all of that...*

**hairfreé™**

<http://www.hairfree.bz/>

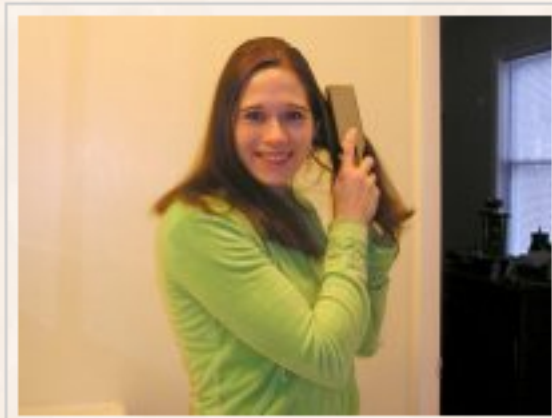

*hairfreé™ offers Patent Pending hairbrushes that help you easily remove the hair from the brush after each brushing. Sound to good to be true?*

*I got to try out both styles of the hairfreé™ brushes (one is flat and one is round) and I must say...they work just like the video demo on their site. These brushes are very nice quality, that have ceramic coated*

*Then you just remove the hair and you have a clean brush...over and over again! NICE!! My husband loves this too because he hates using a hair brush after I have because it's full of long masses of hair, all twirled around the bristles. It grosses*

*him out! LOL!! Not anymore! PROBLEM SOLVED!*

*You must check out <http://www.hairfree.bz/> for yourself today and order an amazing hairfreé™ hair brush for yourself today. They have a product demo that will explain a little more about their patent pending technology. Having the*

*hairfreé™ brushes just saved me from the hours of cleaning my brushes that are full of hair and help make my life a little easier.*

*I'm all for products that help with cleanliness and functional products that do save me time and effort too.*

*Thanks hairfreé™ for letting us try out your unique & amazing patent pending hair brushes. I loved them and they will be getting lots of use around this house!*
